

**UNITE 360**  
The GHX Advocate Community

# Unite, learn, and advance healthcare together.

**You inspire us—our customer community—through the many challenges you show up, take risks, learn, and improve care delivery!**

We are excited to introduce **Unite 360: The GHX Advocate Community** to further deliver on the commitment of uniting the best in healthcare™.

In 2023, members of our community will benefit from exclusive and engaging opportunities to network, learn with peers, and increase positive impact in local—and national—healthcare communities.
